Paying your instalment premium

If you are paying your premium for the first time by instalments we will deduct instalments each month on the day of the month that you nominate as your payment date. If this is a Replacement Policy and you paid your previous Policy by instalments, we will continue to deduct instalments for your Replacement Policy on the day of the month you previously nominated as your payment date, unless you tell us otherwise. If you have nominated the 29th, 30th or 31st of the month as your payment date, we will deduct your instalment payment on the next day if those dates don't occur in a month.

Details of your instalments are shown on your Policy Schedule.

There is no cover provided to the insured under this Policy of insurance until the first instalment of the premium is paid to us. We will not pay a claim under this Policy if, at the time the claim occurred, any instalment of premium has remained unpaid for 14 days or more. If any instalment of premium has remained unpaid for 1 month, we may cancel this Policy. We will send you a notice giving you details of the action we intend to take and when any cancellation will become effective.

If you are paying your premium in instalments by direct debit from your credit card or financial institution account, you must tell us if those details change. You must do this no later than 7 days before your next instalment is due.
